

“The Economic Benefits of a Trails System to the Real Estate Community of Mammoth Lakes”

Randy Martin, the featured speaker in a series of presentations given in April 2007 in Mammoth Lakes to inaugurate “The Developers’ Forum”—a joint effort of Mammoth Lakes Trails and Public Access (MLTPA) and the Mammoth Lakes Chamber of Commerce (MLCC)—returns to Mammoth on Tuesday, May 8, to appear as one of five panelists on the “Resort Economic Development Panel Discussion.” The panel will start at 6 p.m. in Suite Z, and will be a joint meeting of the Town Council, Planning Commission, and Tourism & Recreation Commission.

At 4 p.m. on May 8, at the Mammoth Ski Museum—prior to the convening of the “Resort Economic Development Panel Discussion”—Randy will deliver his complete PowerPoint presentation as it was given at the Developers’ Forum.

If you missed Randy’s presentation last month, now’s your chance!

Randy Martin is a real estate developer and trails specialist with a 25-year background in development and construction. He is a partner with Martin & Associates, where he provides broker services, and he also conducts market research and analysis for development projects throughout the western United States. Randy spoke at the Professional Trailbuilders Association (PTBA) 2007 Trailbuilders Conference on “Benefits of Trails in Private Developments.”
